Re: *Cesar Fernandez-Rodriguez, et al. v. Marti Licon-Vitale*
Civil Action No. 20 Civ. 3315 (ER)

Dear Judge Ramos:

As promised in my May 29 letter to the Court, please find the following information:

- The number of inmates tested for COVID-19 and the number who have tested positive since the last report(October 16); **69 and 1 positive**
- The number of inmates who MCC medical staff has determined to have symptoms of COVID-19 since the last report and confirmation contact tracing investigations have been completed (or are underway) for each of them; **None**
- The current number of inmates in isolation for suspected or confirmed COVID-19 infection; **None**
- The number of staff who have informed MCC they tested positive for COVID-19 since the last report, and confirmation contact tracing investigations have been completed (or are underway) for each of them; **0**
- Confirmation handwritten and electronic sick call requests are being reviewed daily and inmates are being timely scheduled for medical appointments based on medical need and staff resources; **Yes.**
- Confirmation hygiene and cleaning supplies have been distributed in all inmate units since the last report; **Yes.**

Cesar Fernandez-Rodriguez, et al. v. Marti Licon-Vitale

October 30, 2020

Page 2

- The number of MCC inmates released pursuant to: compassionate release, full term release, good conduct time release, and MCC referrals to home confinement or a residential reentry center since the last report; **10**
- A redacted list of inmates who have been denied home confinement, and the justifications for those denials, since the last report. **None.**

My next update will be on November 20, 2020. I thank the Court for its attention to this significant matter.

Respectfully submitted,
